LEARN

Build the mindset and business fundamentals you need to launch with confidence. Our Ice House Entrepreneurship Program (IHEP) is a structured, cohort-based training that covers customer discovery, business modeling, and real-world problem solving. GCMI Business II Training offers business owners structure, clarity, and a stronger financial foundation. Business II is structured around two tracks — because not every entrepreneur needs the same thing. You choose the path that fits you right now.

10-week cohort · Peer learning · Action-oriented curriculum | CORE Track or FLEX Track (Coming Soon)
